

How to display “visa issuance notice”

When checking-in at the airport, you will be requested to display an electronic “visa issuance notice” on your device.

Travel agency will provide you a "Visa Issuance Notice" (printed or pdf data) with QR code.

Please scan the QR code with your device and enter the required information to display the notice.

By tapping “Display”, the electronic "visa issuance notice" appears and the countdown timer shown at the top right starts immediately. This countdown proves that the notice is valid.

① Scan the QR code on the “Visa Issuance Notice” (pdf).

② You will find the website above, please enter your Passport number and Date of Birth then tap “Display”.

③ “visa issuance notice” will be displayed on your device. Make sure the timer counts down at the top right.
